Buckeye Elementary School District Opening Second Preschool

Buckeye Elementary Preschool at Jasinski offers families a second preschool location in the growing city of Buckeye.

BUCKEYE, ARIZONA – (August 29, 2017) – The Buckeye Elementary School District is opening a second preschool in Buckeye to help meet the demands of a growing city and district. Buckeye Elementary Preschool is opening their north campus at Jasinski Elementary School on Broadway Road and is an extension of the Buckeye Elementary Preschool, which is located at 640 Centre Ave. in downtown Buckeye.

Buckeye Elementary Preschool at Jasinski is a tuition-based program open to all children ages 3-5. School hours are 7:00 a.m. to 4:30 p.m. Both full-day and half-day openings are available in a safe and convenient location. Registration is open for the preschool at Jasinski, which opens on Tuesday, Sept. 5. Parents may register their preschool age children by going to www.BESD33.org or calling 623-925-3921. Parents may also register children at the Buckeye Elementary Preschool front office.

“The Buckeye Elementary Preschool has such a tremendous reputation and is growing, but for many families who live closer to I-10 it can be a bit of drive to downtown Buckeye,” said BESD Superintendent Dr. Kristi Sandvik. “By opening a second preschool in a more northern part of the city it may be more convenient, especially for parents who have older children in one of our schools. Jasinski is ideally situated for busy moms and dads.”

“We make learning fun!” said Buckeye Elementary Preschool Principal Brittany Tarango. “Our students are developing skills to help prepare them for continued success as they begin kindergarten and their future education.”

Most Buckeye Elementary Preschool staff are certified in First Aid and CPR. In addition, all classrooms employ highly qualified teachers and at least one assistant, which exceeds the required Arizona State Department of Education preschool student teacher ratio of 1:13.
