

Our Mission

*A Community Passionate
About Student Success*

Our Objectives:

1. Build a welcoming environment where volunteers can provide valuable support.
2. Encourage positive intergenerational relationships and provide positive adult role models.
3. Train community and family members to be effective and confident tutors.
4. Enhance the learning experience of our students with the help of our community.

“Have you ever wanted the opportunity to make a difference in the life of a child? Now you can with our *VIBE (Volunteers in Buckeye Education)* program. We will provide the training, placement and work with your schedule so you can enjoy a fulfilling experience in a Kindergarten through Eighth grade elementary school in our district. We promise priceless memories and appreciative staff members who will welcome your expertise and enthusiasm. You will find the details in this flier. I look forward to personally welcoming you to our Buckeye family as you join our *VIBE* program.”

Gratefully,

Dr. Kristi Sandvik

Buckeye Elementary School District Superintendent

“It may take a village to raise a child,
but it takes the world to educate them.
As a volunteer you can become someone's world.”
