

## Buckeye Family Resource Center

Passionate about children, families, and communities!

**We need your help and have many volunteer opportunities.  
Do you have time on your hands and a passion to serve the community?**

### Descriptions

- ✚ Assist staff members at community events held at locations such as schools and city programs. Volunteers would learn about the services and programs offered at the resource center and help us tell the families in attendance.
- ✚ Conduct fundraisers and help organize activities such as family game nights or a super hero costume party. Our goal is to engage parents and children in fun, family-friendly activities that are free.
- ✚ Solicit donations such as gift certificates. Donations would be used as incentives to encourage families to participate in activities. It is a challenge to engage families in this fast-paced society.
- ✚ Finding employment opportunities in Buckeye. Individuals come in everyday looking for work, help us give them *hope* by providing local employment leads.
- ✚ Tutor adults in speaking English. Lessons are taught in English only. Volunteers are required to participate in 12-hours of training before starting with students. Tutoring can be done at the resource center, or at the public library, and scheduled for your convenience. Tutoring sessions are 1½ hours, once a week, with between 1-3 students per tutor.
- ✚ Facilitate citizenship classes twice a week at the resource center. Training and co-facilitating a series of classes would be required before a volunteer could start their own class. Class size is typically 4-8 adults who speak some English.

**Do you have other skills, or interests? Let us know!**
